

CCD Transportation Task Force
2016 Priorities and Activities (DRAFT)

During 2016, the Task Force will continue to be active in the following areas and advocate for issues related to:

- Funding and Appropriations
- Continue to work on educating and supporting Paratransit funding and program with Congress and Administration
- FAST Act (the new surface transportation bill) implementation
- Air Carrier Access Act (ACAA) and air travel improvements (working with small group lead by PVA) includes FAA Reauthorization
- Continue work with Amtrak Board and US DOT Federal Railroad Administration (FRA) to implement recommendations from NDRN report as well as DOJ 2015 Letter
- Continue to monitor and support, or challenge when necessary, legislation and issues related to transit and safe, accessible transportation for people with disabilities.
- Continue to educate staff on Capitol Hill about the importance of safe, accessible transportation for all.
- Self-driving cars – rules, regulations and any other work that may come to the TF.
- Emergency Management and Safety

The Task Force will plan for and engage in additional activities as needs and opportunities arise.
