

CCD 2024 Financial Security and Poverty Task Force Annual Report

1. Brief Task Force Description or Mission Statement

The CCD Financial Security and Poverty Task Force works to promote public policy aimed at increasing the financial security of all individuals with disabilities and their families. Because of the disproportionate number of people with disabilities living in poverty, our task force also advocates for public policy that impacts people living in poverty, including the disproportionate number of people of color with disabilities living in poverty.

2. Three Issues the Task Force Worked on in 2024

- Protecting and strengthening SNAP
- Improvements to ABLE accounts
- Other financial security issues for people with disabilities (ex. raising the SSI asset limit)

3. Three Issues the Task Force Anticipates Working on in 2025

- Protecting and strengthening SNAP and other anti-poverty programs
- Advocating for tax policies that advance financial security for people with disabilities (ex. CTC, EITC, ABLE Accounts)
- Other financial security issues for people with disabilities (ex. raising the SSI asset limit)
