

CCD Fiscal Policy Task Force Annual Report 2020

Brief Task Force Description *

The Fiscal Policy Task Force is responsible for monitoring, analyzing and responding to the federal budget and appropriations process. The Task Force develops budget and appropriations documents and plans strategy for information dissemination. After COVID-19 hit in full force early in 2020, the work of the Task Force was subsumed by other CCD task forces with jurisdiction over a large number of federal programs that were directly impacted by the pandemic. For this reason, the Task Force will become a workgroup in 2021.
